Parbold Parish Council Notes

Contact by e-mail: parboldpc.clerk@yahoo.com

There have been several complaints recently about the occupants of vehicles parked on Bramble Way displaying anti-social behaviour. This is unpleasant for users of the car park and those residents living nearby. It has been highlighted in Lancashire Constabulary's Neighbourhood Alert and the Parish Council are working with the Police to reduce instances of nuisance or offences. The CCTV cameras sited on this car park are remotely linked to the Constabulary's NICE system which allows police access to CCTV footage and two vehicles have already been identified. A very big thank you to all those volunteers who joined in the recent Parish Council Litter pick, many refuse bags were filled and the village looks so much better for it. Your help and community spirit is much appreciated. As we draw closer to the Best Kept Village competition it is important to keep the village as litter free as possible.

PARBOLD FLOOD GROUP - We must thank three initial members of our team, Rab, Jeff and Ashley without whom there would not have been a Flood Group. After the 2012 flooding they walked every inch of the River and all the Brooks and found many faults along the way producing copious notes for me, thanks lads. LCC and the EA are now putting a plan together and hopefully we will get the flood defences we deserve. Please note the information below, it is very important you need to know what to do in an emergency. If you live alongside a brook and you see any rubbish/garden waste that could fall in please go to www.westlancs.gov.uk follow the link for fly tipping as it could cause flooding. Ask contractors on your property to remove waste safely not into the gullies. If you are in an area that is higher up and does not flood please clear any leaves from the blocked grids/gullies as water will always find the lowest level. Go to www.lancashire.gov.uk – Click on 1) Report a highway fault. 2) blocked drain/gullies, send any photographs, follow the link. To report Property/Garage/ Garden flooding go to highways@lancashire.gov.uk To receive flood warnings: www.gov.uk/sign-up-for-flood-warnings and enter your Post Code or Parbold. Vision Link Cameras adjacent to the railway line www.vision-link.co.uk/parbold/ the pairing code is 462909. The Flood Hub www.thefloodhub.co.uk contains a wealth of information including KS2 for children. parboldfloodgroup@outlook.com Take care, stay safe. Ros Wess

Showing Off! - You don't have to wait until **Parbold Village Show on 9 July** to be part of it.

By now you should have had our pamphlet delivered containing the **SHOW TENT** categories and be thinking of what you can do. Will you make a scarecrow and have us take a photo to enter into the Scarecrow Village People competition? Perhaps you are one of those people who've been posting such good pictures on the Village Facebook – we want those images in our Photography Section? There's so much YOU can contribute in almost forty classes and we've an extra ten different classes for children to join in too. Conscious of what is happening in the wider world we are hoping for some strong entries on our Peace in Our Time category. *But the pamphlet didn't come? But I've lost it? Fear not – extra copies at the Library, the DIY shop, Coffee Etc. and the Railway Station.* **parboldvillageshow@gmail.com**
