Parbold Parish Council Notes

Contact by e-mail: parboldpc.clerk@yahoo.com

The Parish Council has authorised the repair of pot holes in the car park in front and to the side of The Common shops parade. This work will obviously require the car park to be closed for a couple of days as the surface is removed and re-laid. This is scheduled to take place in mid-April and further details will be published on the PC website, noticeboards and social media. The Parish Council would appreciate your help in keeping disruption to a minimum by considerate parking elsewhere during this time.

Members of the Parish Council are meeting with representatives from United Utilities this month, as part of a regular liaison programme. This is a good opportunity to address any ongoing issues and discuss how best to minimise future odour events that can affect Parbold residents so much.

Spring is good time to check that hedges, shrubs and trees do not overhang your properties and interfere with pedestrian access along roads and pavements. The Parish Council may ask for overhanging foliage to be cut back to make the pavements safe for all users.
