# **Parbold Parish Council Notes**

Contact by e-mail: [parboldpc.clerk@yahoo.com](mailto:parboldpc.clerk@yahoo.com)

Once again the Parish Council have agreed to enter the Best Kept Village competition this summer, having just missed out on reaching the final judging round last year. Preparations can now start to be made to ensure our village is looking its best when judging starts in June. Judges comments last year were generally very positive, the judges thought the village was charming with a real pride in the community for both private and community gardens; their overall impression was of a lovely well-kept village.

The main areas of improvement were litter, overflowing wheelie bins behind the shops and weeds growing in several communal areas. Please can every effort be made to keep the village clear of litter and dog fouling, as we are once again receiving complaints about owners not clearing up after their dogs.

It would be wonderful to reach the final stage and perhaps win the Lancashire Best Kept Village this year!

Thankfully the occurrences of anti-social behaviour in our village is comparatively low, but if you witness any anti-social activity please contact the police directly on 101. You can also make the Parish Council aware of the location as there are PC owned CCTV cameras in operation at several locations.
