Parbold Parish Council Notes

Contact by e-mail: clerk@parbold-pc.gov.uk

Once again Parbold will be entered into the Lancashire Best Kept Village competition and it is hoped that this community can build on previous successes and showcase Parbold at its very best. Last year the judges were impressed with the facilities and condition of the village and even noted an improvement in the amount of litter and weeds which have lost Parbold marks in the past. Please help to keep the village looking lovely through the judging period in June and July.

Parking within Parbold is a perennial problem and concerns have recently been raised to the Parish Council about parking in a number of areas within the village. Vehicles are being parked on the road and pavement at the top of Broadmead, near to the junction with Station Road, presumably to visit the shops. In a number of cases access to resident's driveways have been blocked. It is asked that people park considerately and use the designated car parks wherever possible. Another concern is Lancaster Lane, where vehicles are being parked on the pavement, blocking access for pedestrians, particularly pushchair users. Responsible parking will negate the need to consider more double yellow lines being introduced.

As spring arrives and the nesting season is imminent, now is a good time to ensure that hedges and shrubs are cut back sufficiently so that they will not encroach on public pavements.

The Parish Council will continue to hold the respective agencies to account with regard to flooding issues in the village and still wish to hear from residents having ongoing problems.
